

## **Flying Piggy Bank Privacy Policy**

**Last Updated:** August 18, 2026

### **Overview**

Flying Piggy Bank respects player privacy.

This application is designed to operate entirely on the user's device and does not require the creation of an account or the submission of personal information.

### **Information Collected**

Flying Piggy Bank does not collect personal information.

The application does not request or require:

- Name
- Email address
- Phone number
- Physical address
- Account registration
- Login credentials

### **Data Storage**

The application stores limited gameplay information locally on the user's device.

This may include:

- High scores
- Player-entered initials used for local leaderboards
- Game settings

This information remains on the device and is not transmitted to the developer.

### **Advertising**

Flying Piggy Bank does not display advertisements.

### **Analytics**

Flying Piggy Bank does not use analytics services.

The application does not track user behavior, gameplay activity, or device usage.

### **Online Services**

Flying Piggy Bank does not require an internet connection to play.

The application does not use:

- Online leaderboards
- Cloud saves
- Multiplayer services
- User accounts

### **Sharing of Information**

No gameplay or user information is shared with third parties.

### **Children's Privacy**

Flying Piggy Bank does not knowingly collect personal information from children or adults.

Because the application does not collect personal information, no personal information is stored or transmitted.

### **Changes to This Policy**

If the privacy practices of Flying Piggy Bank change in future releases, this policy will be updated accordingly.
